TOO MUCH CIRCUS.
Two much circus was the ailment of the Wheeling ball players yesterday. On account of the one-day circus occupancy of the Bridge park, the players did not put in a hard day's practice. The new grounds have been for a long time, but are not yet in shape for even practice work by the team. Practice will be resumed this morning if the circus has not disturbed the evenness of the ground too much.

BOWLING.

The games in the Mozart Park summer tournament last evening were interesting and warmly contested. There was only one unpleasant feature. The bowlers insisted on taking two out of three games from the Sigsbees. If Henning's crowd had possessed the least patriotism they would not have contributed to dragging the name Sigsbee in the slough of defeat. The scores were as follows:

MET HIS MASTER.

Plaudt Responded to a Call for Speed and Won the Kentucky Derby.

LOUISVILLE, Ky., May 4.—Lieber Karl met his master to-day. He lowered his colors to a grander, a better horse, for Plaudt, like the aristocrat of the turf that he is, won the honors of the classic event by nobly responding to a call for speed, and in a race that

Free Medical Advice

You need a doctor many times when you don't call one. You suffer pain in fifty forms and yet won't call the doctor, because you hope that the pain "will go away after a while." And, too, you know by experience, that that first visit of the doctor is generally followed by many others, with the inevitable consequence of a big bill "for professional services." You don't know what to do for yourself or what to take.

But suppose that you could get free, absolutely free, the advice of one of the most

Eminent Physicians

in the United States? You can. The physician is right here. He has an office in the building, he has a staff of correspondents to assist him, and anyone and everyone, who needs medical advice is invited to write to him. If it's a baby's health or mother's or the health of any member of the family you may write about it, sure of a careful reading of your letter, sure of a conscientious diagnosis of your case.

Sure of a Cure

If cure is possible. Every letter will be held in a strictly confidential communication. Remember these facts:

We offer you medical advice from one of the most eminent practitioners in the United States, whether our medicines suit your particular case or not. We offer you this advice at the cost of the two cent stamp which it will take to bring your letter to our office. Address the Medical Department, Dr. J. C. Ayer Co., Lowell, Mass.

will long be remembered by the 15,000 people who saw it.

Derby day dawned dark and gloomy, and by 10 o'clock the rain came, and continued at intervals until 2 o'clock. The sandy soil of the track absorbed it, however, and the going was not over a second and a half slow when the bell sounded for the Kentucky derby, the fourth event on the card.

Plaudt, Lieber Karl, Han d'Or and Isabay came from the paddock in the order named, and the appearance of each was the signal for applause. They were sent away at the first break, with Lieber Karl in front, Isabay second, Plaudt third and Han d'Or last.

Burns went out to make the pace, and he had command by half a length as they raced down to the stand, with Han d'Or second, Isabay third and Plaudt last, with two lengths covering the bunch. These positions were maintained as they went around the lower turn, and when they were straightened out in the back stretch Lieber Karl was a length and a half in front, while Sims had brought Plaudt to a second. Sims went to work on Plaudt, and the thoroughbred never responded better, each stride enabled him to cut down the distance, and when they faced the wire in the stretch Lieber Karl had but half a length the advantage, with Plaudt still lessening the distance. They were on even terms at the eighth pole, and then, amid the lusty shouts of the thousands that packed the stands, the son of Himyar thundered down the track to the wire, winner of the twenty-four Kentucky derby.

Lieber Karl was not neglected, and he finished second because he had met his superior. Isabay was third, a half a length away, and Han d'Or last, by two lengths.

Summary of Kentucky Derby: Mile and a quarter, for three-year-olds, stake value, \$6,000—Plaudt, 117, (Sims) 3 to 1, won; Lieber Karl, 122, (Burns), 2 to 5, second; Isabay, 117, (Knapp), 20 to 1, third; Han d'Or, 117, (Conley), 15 to 1, fourth. Time, by quarters, 25; 56; 1:17; 1:43; 2:09.

MARSHALL-McCLELLAND.

Articles were signed last night for a six-round bout between Jerry Marshall, the clever Australian boxer, and Jack McClelland, the pride of Pittsburgh, to take place before the Gordon Athletic Club, at Washington, Pa., next Tuesday evening. The contest is for a decision, and no more than six rounds are permitted in the Pennsylvania town. Jerry has been after McClelland for a finish contest for some time, but the Pittsburgh boy drew the color line, and it wasn't expected that he would change his previous intention. A big Wheeling delegation will attend the bout.

JOHNSON AND BURNS.

The twenty-round boxing contest between Charley Johnson and Charley Burns, scheduled by the Bridgeport Athletic Club for next Thursday evening, will draw a large crowd. Burns is now training here, and Johnson is in Philadelphia, where he boxes Tommy Tracy next Monday evening.

GRIFFO PLAYS IN LUCK.

SACRAMENTO, Cal., May 4.—A coroner's jury, after hearing the testimony of a large number of persons who witnessed the Griffo-McCarthy fight, which resulted in the latter's death, returned a verdict exonerating Griffo and trainers from responsibility.

When a man gets down flat on his back, so that he has to be carried about like a baby, he finally realizes that he is a sick man. Very frequently he has been a sick man for years, but has recklessly refused to recognize nature's warnings. Severe illness is something that does not strike a man like a flash of lightning. It creeps upon him by degrees, and at every step warns him with a new danger signal.

When a man feels "out of sorts" or "knocked out," or whatever he may call it, he is a sick man. It is time to take warning. Headaches, drowsiness, loss of sleep at night, loss of appetite, nervousness, bad taste in the mouth in the morning, and frightful dreams—all these are warnings of an encroaching illness. Dr. Pierce's Golden Medical Discovery creates appetite, cures dyspepsia, stimulates the liver, purifies the blood, quickens the circulation and tones the nerves. It makes rich, red, tissue-building food. It builds firm flesh, but does not build corpulent people, more corpulent. Unlike cod liver oil, it does not make flabby flesh. On the contrary, it tears down and excretes the unhealthy tissues that constitute corpulency, and replaces them with the firm, muscular tissues of good health. It cures 98 per cent. of all cases of consumption. All bronchial, throat and kindred ailments, all lingering coughs, spitting of blood and weak lungs are cured by it. Thousands have testified to its merits. At all medicine stores.

It is a dealer's business to give you what you ask for; not to tell you what you want.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good."

MARTIN'S FERRY.

Haps and Mishaps in the Thriving City Across the River.

At a meeting of the barbers' union in Bridgeport, Monday evening, the barbers of that place announced that they were not satisfied with both towns being governed by the same union, and asked for a dissolution. The reason for their howl seems to be on account of all the officers except president being Martin's Ferry barbers.

The Epworth League of the M. E. church elected the following officers at the annual meeting Tuesday: President, Charles Lewis; first vice president, Mrs. H. C. Jones; third vice president, Miss Jennie Lytle; fourth vice president, Miss Margie Slaughter; secretary, Miss Sue Dittmar; treasurer, Chester Lloyd.

The twenty-third annual meeting of the Woman's Foreign Missionary Society of St. Clairsville is to be held in the Bridgeport Presbyterian church next Tuesday and Wednesday, May 10 and 11.

Miss Edna Hodgson, of Portland, and Mrs. John Garrett, of Steubenville, who have been the guests of Miss Emily Hoge, on Fourth street, returned to their homes yesterday.

The marriage of P. P. Miller to Miss Katie Johns and that of John Jerker to Miss Lizzie Klotz took place last evening.

The Woman's Foreign Missionary Society will meet this afternoon at the home of Mrs. S. J. Bogle.

The foundation of Miss Annie Boyd's new residence on West Hanover street was completed yesterday.

The painters are at work on the Laughlin houses, and eight of the ten have been completed.

George Cook left for his home in New Athens yesterday, being threatened with typhoid fever.

Rev. McMurtry, of Toronto, will preach at the U. P. church Sunday morning and evening.

Mrs. Viola Heaphea is lying very low at her home on Fourth street, with pneumonia.

"Doc" Truax had his leg broken yesterday by a railroad tie falling upon it.

Mrs. G. S. Cannon is lying very ill at her home in the First ward.

The hockeys demand \$2 a day of nine hours, beginning May 5.

Verne Young, the Dillonvale druggist, was in the city yesterday.

Dr. Hogan's condition remains about the same.

The town clock was completed last evening.

WHAT IS YOUR TRADE?

Each Trade or Occupation Has Its Special Disease.

It is well known among medical men that certain diseases are more readily developed in certain occupations than in others. That each occupation has its attendant physical weakness. Engineers, railroad men and similar occupations suffer mostly from kidney troubles, and men who are often exposed to the weather suffer from rheumatism, while clerks, professional men, in fact, the army of people whose business keeps them indoors, are oftentimes great sufferers from piles and constipation. In this connection the following letter is of interest to people whose occupation will not allow sufficient outdoor exercise.

Mr. A. F. Calhoun, notary public and jeweler and watchmaker at Circleville, W. Va., writes as follows:

I had been a severe sufferer from piles for years, and had tried many remedies, with but little benefit, when about three years ago I saw the Pyramid Pile Cure advertised and sent for it.

I was badly afflicted when I got it, but after only two applications the piles disappeared, and from that day to this I have never felt a symptom of the disease.

I feel that I cannot recommend it too highly to sufferers from piles.

The Pyramid Pile Cure is free from cocaine, opium or any mineral poisons, absolutely safe, pleasant and painless; sold by druggists at 50 cents per package. If there is any constipation the Pyramid Pills should be used with the pile cure. The pills are 25 cents per package.

Any druggist will tell you that the Pyramid is the best known and most successful and popular pile cure ever placed on the market, and its reputation as a safe and radical cure has only resulted from the personal recommendation of people who have been cured of this distressing ailment.

Send to Pyramid Co., Marshall, Mich., for valuable little book on cause and cure of piles.
